Enrollment and Tuition Terms and Policies

- Registration Fees are due for each student at the time of enrollment to hold place in class. Registration and tuition fees are non refundable.
- Registration is for the entire school year (September 9, '24 through May 30, '25). Monthly tuition is determined by the total classes in the school year divided into 9 equal monthly payments. Classes cannot be prorated for absences, school breaks or inclement weather closures. Drop-in and/or trial classes are not offered. All students must be enrolled online in order to attend class.
- If your student is not able to complete the school year, a Drop Form must be filled out online by the 15th of the month prior to dropping. This form can be found under "Class Resources" on the Parent Portal. **Drops for the upcoming month will not be accepted after the 15th.**
- **All students will be automatically enrolled in our annual June recital.** Children unable to perform in the recital must submit a Recital Opt Out form online by January 10, 2025. Recital Opt Outs will not be accepted after this date. All recital and costume fees are nonrefundable.
- Students may makeup a missed classes within one month of an absence **only** by reporting absences on the Parent Portal in advance and signing up for a makeup class. Students are not eligible for makeup classes for absences not reported in advance on the Parent Portal. **Makeup classes are subject to availability and cannot be guaranteed. Due to recital preparation, makeup classes will be discontinued as of March 1, 2025.**
- Tuition is posted and e-statements are sent out on the 25th of the month. Payments will be processed using the payment method on file on the 1st of the month. Please ensure you have a proper payment method on file prior to the 1st of each month. Families will receive an email notification if their payment cannot be processed and have 7 days to update their payment method on the Parent Portal. After 7 days, accounts with improper payment methods will be subject to a \$10 late fee.
- Due to the increasing costs of credit card processing fees, we will charge 2.59% to every transaction paid with a Visa, Mastercard, or Discover credit card. This does not apply to debit cards, prepaid cards, or ACH/bank draft payments. To avoid this charge, please consider using one of these payment methods. This change in policy will allow us to keep our 24-25 tuition rates consistent with the prior school year. Due to the change in this policy, all payment information on file has been deleted. Returning students will need to enter new payment information upon registering.
- Students may not be dropped off more than 5 minutes prior to their class start time. Preschool and Lower Academy students (Preschool-2nd grade) should be walked into the lobby by an adult. Students must be picked up within 5 minutes of their class ending. Children not picked up within five minutes of the conclusion of their class will be subject to a Late Pickup Fee.
- Please contact us if you have questions regarding which level is best for your dancer. If a student is enrolled in the improper level, ODA staff reserves the right to move the dancer to the correct level.
